

Protect Your Home

DAIGLE OIL CO.

Employee Owned,
Community Driven

Benefit from reduced repair costs and improved heating efficiency by enrolling in a **DOC Home Comfort Plan!**

A single after hours service call with parts and labor fees could cost more than a one-year plan.

What's Included?

- An annual heating system tune-up
- Parts and labor protection¹
- A TankSure[®] oil tank inspection
- A \$1500 allowance towards replacement of a leaky indoor oil tank²
- 24-hour response to emergencies

¹Varies by plan

²Upon qualification

DOC Home Comfort Plans

DOC Boiler Home Comfort Plan \$325.00

DOC Furnace Home Comfort Plan \$299.00

DOC's Home Comfort plans provide parts and labor coverage to your furnace or boiler when parts become defective due to normal wear and use. These two plans also include an annual tune up, a TankSure® oil tank inspection, and 24-hour emergency service.

DOC Water Heater Plan \$175.00

Covers repair and replacement of various parts for direct and indirect water heaters. Available with either a furnace or boiler plan but cannot be purchased alone.

REMEMBER

Heating system maintenance can detect minor problems before they become major.

Enroll Today!

- Boiler Home Comfort Plan \$325.00**
- Furnace Home Comfort Plan \$299.00**
- Optional Water Heater Plan \$175.00**
