Community Driven

A photograph of a two-story house with a snow-covered roof and ground. The house has a brown door and several windows. The background shows snow-covered trees and a clear sky.

HELPING YOU BUDGET WINTER FUEL COSTS

DOC offers heating fuel payment options to help.
Sign up today.

Budget Cap Plan

DOC's budget CAP plan with downside protection is a contracted plan that spreads your annual heating costs into equal monthly payments. If fuel prices rise, pricing will be capped at the set price, yet if fuel prices fall below the capped price you will get the lower price at the time of delivery. A fee applies for the price protection.

Enrollment – opens in June with the plan ending on May 31.

Eligibility – customer must be credit approved with a Fill or Open Limit and have a zero balance on account at the time of enrollment. 350 gallon minimum.

WHAT'S INCLUDED?

- Equal monthly payments
- Automatic delivery
- Downside protection
- Automatic bill-pay (optional)

Equal Pay Plan

DOC's Equal Pay Plan is a monthly payment plan with an added 5¢ per gallon price discount on qualifying gallons. The monthly payment calculation is an estimation based on your annual heating costs multiplied by the daily posted price then divided by the number of months in the plan. Customers signing up for automatic bill pay during the duration of this plan will receive an additional 2¢ discount.

Enrollment – opens in June with the plan ending on May 31.

Eligibility – customer must be credit approved with a Fill or Open Limit and have a zero balance on account at the time of enrollment. 350 gallon minimum.

WHAT'S INCLUDED?

- Equal monthly payments
- Automatic delivery
- 5¢ price discount
- An additional 2¢ discount for choosing automatic bill-pay
- No contract or downside protection

Pre-Paid Fixed Plan

DOC's Pre-Paid Fixed Plan allows you to purchase the number of gallons needed for the upcoming heating season at a fixed price. You pay the same fixed pre-paid contracted price until the pre-paid gallons run out or until the contract expires at the end of the heating season in May, whichever comes first. This means you pay the same fixed price per gallon regardless of pricing fluctuations. 350 gallon minimum.
